

An initiative to raise awareness of prevention against HIV/AIDS in three communities on Haiti.

Who's involved?

Project leader: Brusma DAPHNIS

Lead organisation: L'association Haïti Tchaka Danse « HTD »

Communities : Cité Soleil, Carrefour Feuilles, Vallées de Bourdon

Timeframe: February 2013 - August 2013

Objective:

- This project aims at encouraging young people to act in order to reduce the risk of HIV/AIDS and other STIs in local communities, through performing arts.

Activities:

- Training of 150 young people in the following areas: dance, theatre, singing and social and cultural activities. The participants will be recruited from the three different communities (50 from each).
- Creation of and strengthening of existing cultural communities for a sustained prevention against HIV/AIDS.
- Social gatherings regarding HIV/AIDS with the beneficiaries of the project.
- Community debates about the fight against HIV/AIDS.
- Realization of shows about the prevention against HIV/AIDS.
